Special requests / Other tests: Notas / Ander ontledings:

All laboratory analytical services provided by Wynland Laboratory are subject to the terms and conditions of NviroTek Laboratories, as outlined in the Service Level Agreement, which is available upon request. By submitting samples for analysis, the client acknowledges and agrees to be bound by these terms and conditions. These terms shall apply unless a separate, signed agreement specifying alternative terms has been established between the client and NviroTek Laboratories. Please note that test cancellations can only be accepted for analyses that have not yet commenced. ***Cash clients:*** *Test reports will only be released once full payment has been received.*
